

create a voicethread

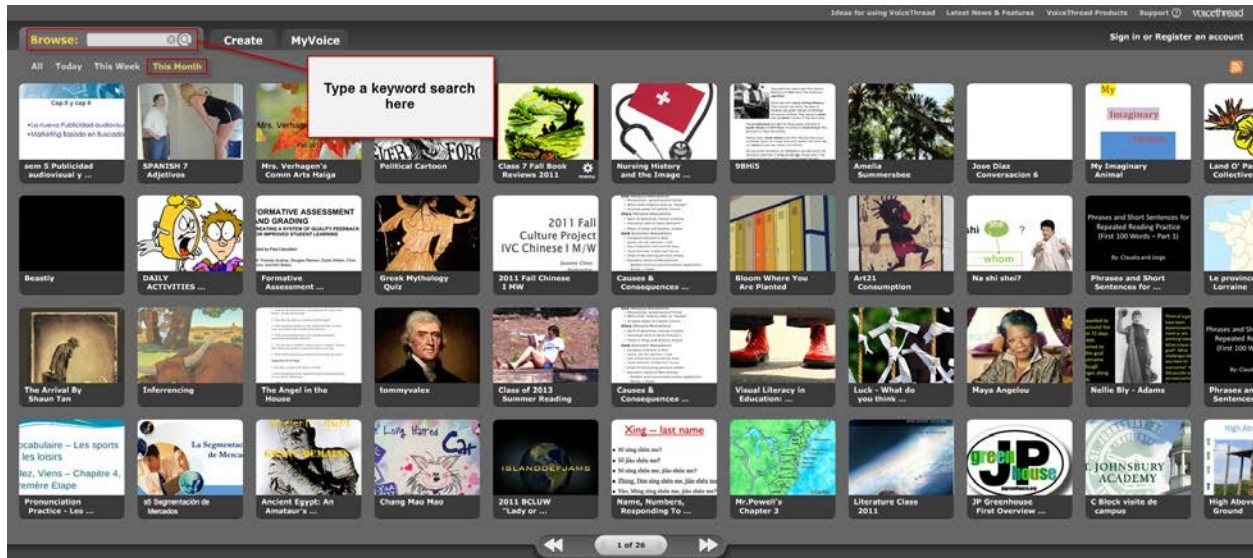

Activity 5

Step 1: Register for an Account

Register for a free Education account by first registering at <http://ed.voicethread.com/>. Upgrade your account at no charge at <http://ed.voicethread.com/products/k12/educator/>.

Step 2: Brainstorm

VoiceThread allows you to create a conversation around images, videos, documents, and presentations. Browse the Voicethreads at <http://voicethread.com/?#q>. You can browse according to popularity by clicking on “This Month” or by searching with the search box. Brainstorm with the group to create a list of possible student projects.

Step 3: Storyboard

Use the accompanying storyboard to create a project plan (with a script for narration) for a sample student project.

Step 4: Create a Voicethread

Create a sample Voicethread project as if you were a student and upload it to voicethread.com. Include audio narration as a part of the project.
